

The Central Houghton Neighborhood Association (CHNA) was formed in 1990 with the primary objective to preserve and enhance the central Houghton community within the City of Kirkland. The CHNA has focused on providing information to neighbors about issues related to land use, transportation, public safety, and neighborhood enhancement.

I have just completed my first year as President/Chair of the CHNA Board. The Board and I want to check-in with the Central Houghton community to see how we are doing and to solicit ideas for ways to be better at serving the community.

To help our Board in reviewing our communication processes with the community we have created a 10 question survey that we hope you will take a few minutes to complete. To facilitate planning for the rest of 2018 and into 2019, we would appreciate you completing the survey by **July 22, 2018**. The link to the survey is:

[2018 CHNA Survey Link](#)

Please forward to others in your neighborhood that may be interested in providing input to the CHNA Board.

Thank you in advance for your input. If you have other questions or comments please email us at <mailto:centralhoughton@gmail.com>

Sincerely,

Larry Toedtli, President

Central Houghton Neighborhood Association
