Dear Central Houghton Neighborhood Association Board,

Thank you for submitting comment for the public hearing on permanent supportive housing in Kirkland. The Kirkland City Council was provided your written testimony yesterday afternoon. Staff will be responding in more detail to your questions soon.

If you have any additional questions regarding this, please feel free to contact me directly.

Kind regards,

Name

Comments Kirkland City Council-

The attachment provides the comments and testimony from the Central Houghton

Neighborhood Association on the PSHA between the City of Kirkland and King County for the planned permanent supportive housing facility at the former la Quinta Inn in south Kirkland.

As noted in the document, CHNA and our community look forward to continuing to work with the City, County, and facility operator to assure a safe and successful project. We ask that the agreements provide for a formal Community Advisory Board and transparent reporting process that allows for a robust community involvement program both before and after residents move in. Integrating the PSH into the community will build trust and help resolve potential concerns before they become major issues.

Thank you.
